

POLICIES & TERMS

Cancellation and No-Show Policy

Your business is valued and your cooperation is appreciated. We are making a commitment to you to guarantee your appointment time and refusing all other requests once you have made the appointment.

When you book an appointment, that time is set aside for you and missed appointments prevent us from accommodating other clients. Please understand that the therapists only get paid when they deliver a service.

A 24-hour notice is required for all types of treatment cancellations (regular, gift card, membership and package treatments). Please call: +18574100305. If we are unable to answer, leave your information on our voicemail. Cancellations made via email are not accepted.

Cancellation less than 24 hours in advance will result in a forfeiture of half of the deposit (or 25% of the session value from the gift card), with the remainder being refunded. Cancellations less than 4 hours in advance, as well as no-show appointments, will result in the forfeiture of the full deposit (50% of the session value from the gift card).

For prepaid 30-minute follow-up sessions, cancellations or rescheduling must be done more than 24 hours in advance. Otherwise, the 30-minute session will be counted as used.

Appointments made within 24 hours before the sessions cannot be canceled without incurring a charge. Missed appointment fees are not eligible for direct billing or insurance compensation.

Missed appointment fees are not eligible for direct billing or insurance compensation.

Rescheduling

You can reschedule your appointment up to two times, so long as we are given more than 24 hours notice of any changes or alterations.

Rescheduling less than 24 hours in advance will result in a forfeiture of half of the deposit (or 25% of the session value from the gift card).

Rescheduling less than 4 hours in advance, as well as no-show appointments, will result in the forfeiture of the full deposit (50% of the session value from the gift card).

Late Arrivals

Depending on our schedule, late appointments may not receive the full session time allotted for the treatment service booked. Full payment will be required for the original time booked.

If a client doesn't arrive within 20 minutes without prior communication, the session will be automatically canceled.

Mobile Massage

The client is responsible for covering any parking fees incurred during the service.

The cost of our services, when provided at your home, hotel, yacht, etc., is determined by the duration of the massage, your specific location, and the timing of the appointment.

The displayed prices pertain to a zone within Arlington. Services outside this zone may incur additional charges.

Packages

Once sold, packages cannot be returned. All sales are final.

We accept cash and all major credit cards. However, we do not accept personal checks.

Since Waha Massage Studio is a service-based business, we cannot offer refunds for massage services or gift cards.

Membership program

Each membership level includes one custom massage session per month, with the duration determined by the membership type chosen (60, 75, or 90 minutes).

Unused massage treatments do not roll over to the next month.

Upon cancellation, any unused benefits for the current month will expire at the end of that month's period.

Members can cancel their membership any time after four months with a simple email. This means your membership will automatically renew each month until you properly cancel the agreement.

Monthly charges are applied to the credit card provided at the time of initial membership enrollment.

Members may gift or share their membership session once every four months. To ensure smooth processing, please email us with the recipient's full name and contact information when gifting a session.

Gift Cards

Gift cards are valid for 12 months from purchase.

Gift cards can not be redeemed for cash.

Waha Massage Studio is not responsible for lost or stolen gift cards.

Gratuities

At your discretion, gratuities are gratefully accepted.

OTHER MASSAGE POLICIES

Health Considerations

Please inform us at time of scheduling of any health conditions, allergies, special needs or concerns you have. Your safety is important to us and some services may not be appropriate for certain conditions.

Communicate Your Preferences

Be sure to speak up. All aspects of your massage session can be modified to your preference: pressure (too light or too deep), lighting in the room, style of music, temperature, and whether or not you choose to have a conversation or enjoy the treatment in silence.

Ethics Policy

Therapeutic massage is strictly non-sexual. If the client presses interest in sexual massage, the therapist will terminate the massage immediately and full payment will be required for the booking.

Right of Refusal

Therapist(s) reserve the right to refuse service to anyone at any time without explanation.

Informed Consent

At your first visit with us you will receive a copy of the massage therapy policies and will be asked to sign the consent stating that you have read the information, understand it, and agree to comply with the professional massage therapy policies and procedures. Clients who we have not seen for at least a year will also be asked to fill out this form.

Scope of Practice

- Massage Therapy is a profession in which the practitioner applies manual techniques, and may apply adjunctive therapies, with the intention of positively affecting the health and well-being of the client.
- Massage Therapists do not diagnose or prescribe for medical conditions nor are they allowed to provide treatment for a specific condition without a doctor's supervision. The massage therapist is required to refer you for diagnosis and to follow recommendations of your physician.

Respect For Client Needs and Boundaries

- The massage therapists are happy to adjust pressure, temperature, music volume, work longer on an area or move on if you request it.
- The client may choose to: leave on as much clothing as needed for comfort, refuse any massage methods, stop massage at any time and is free to leave.
- The client will always be modestly draped. Only the area being massaged will be undraped. The clients will be kept informed of the area to be massaged.
- Occasionally, an emotional response to massage occurs. If this happens, it is ok to express the feelings in our safe, nonjudgmental environment - or you may request privacy and end the session. You are in control.

Confidentiality and Conversation

- The discussion between the massage therapist and the client is confidential. The client may or may not choose to talk during the massage.

Existing and New Medical Conditions

- It is the responsibility of the client to keep the massage therapist informed of any medical treatment currently being taken, and to provide written permission from the physician, chiropractor, physical therapist, etc., that the massage may be continued.
- The client must also keep the massage therapist informed of any changes in health conditions.
- For clients undergoing chemo and radiation therapies – If you are currently in treatment, or if your last treatment session was less than 12 months ago, we require a doctor's note that states the doctor is aware of and agrees to the desired treatment.
